

Dear Owners and Friends,

Earlier this year, the board of directors offered Sweetwater Lift Lodge owners the opportunity to own an additional week or weeks for just the cost of the maintenance fee. This was so well received, we are making this exceptional offer available to you once again:

We would like to offer you an additional week or weeks for the cost of the maintenance fee!

As a bonus, the association will pick up the cost of the transfer fees and paperwork.

We are confident that the most desirable weeks will go fast, so we can only make this offer on a first-come, first-served basis. There are weeks available in all seasons, room sizes and configurations. The cost for each of these weeks is the unit's 2012 maintenance fee, which can range from \$442-\$741.

We encourage you to spread the news of this incredible offer to your friends, family and neighbors. Sweetwater has been recently renovated and now looks better than ever. Our exchange power with many trading associations has been steadily rising due to these quality upgrades and our excellent and attentive staff.

The bottom line: The more owners we have paying maintenance fees, the less the financial burden will be for each owner. The association has been supporting these non-performing weeks for many years now, and we hope this exciting promotion will increase the number of weeks owned, and will mutually benefit both the owner base and the association.

Ready to purchase your week? Please visit www.sweetwaterliftlodge.com/vacationweeks to complete the online request form.

For more information, feel free to call any member of your Sweetwater board of directors. We are very excited about this offer and are happy to answer your questions.

Gratefully,

Your Board of Directors, Sweetwater Lift Lodge
